Security Hinged Crate with Ventilated Base

Security Hinged Crate with ventilated base is ideal for the transport of hanging files, archives or valuable/expensive small goods

- Internal Hanging Rail designed for storage of hanging files
- Ventilated base protects archive files against sweating
- Large 68 Litre Storage Capacity Security Crate
- Food Grade PP (Polypropylene) that has a very high melting point of approx 160 degrees which is very high compared to many other plastics,
- Hot water used when washing will not cause container to warp
- Strong and Durable Metal Rods holds on hinging lid
- Lid Lockable with Large Padlock or Security / Cable Ties Etc.
- Also available in Recycled (non-food grade material)
- Stackable with Lid Closed or Nesting when Open

Capacity: 68 Litres

Dimensions: 630mm x 450mm x 315mm

Colours: Black Base with Red Lid or Blue Base with Black Lid

Large Capacity Stack and Nest Containers

- Available in 85 & 100 Litre
- Food Grade Heavy Duty
- Container Ideal for Storage of Fish, Food Materials and Other Bulky Items
- HDPE Material is suitable to be Snap Frozen
- Suits a wide selection of industries - meat trades, smallgoods manufacture, poultry, fish, materials handling, engineering, automotive, warehousing and distribution.
- Made From HDPE (High-density polyethylene)

85 Litre **AP3118-13** 806mm x 464mm x 327mm Blue Container with Optional Lid
100 Litre **AP3519-14** - 895mm x 483mm x 510mm Grey Container

HDPE High-density polyethylene has little branching, giving it stronger intermolecular forces and tensile strength than lower-density polyethylene. It is also harder and more opaque and can withstand somewhat higher temperatures (110 degrees Celsius continuously)

Fish Crate No 12 Stack & Nest Container Solid

- Food Grade Heavy Duty Stack and Nest Crate Storage Container Ideal for Storage of Fish, Food Materials and Other Items
- HDPE Material is suitable to be Snap Frozen
- Suits a wide selection of industries - meat trades, smallgoods manufacture, poultry, fish, materials handling, engineering, automotive, warehousing and distribution.

Available Colours: Natural, Blue, Red

Capacity: 55 Litre

Dimensions: 711mm x 438mm x 382mm
