

PCM-01 Stillage Cage

A multi-use pallet size cage, designed to suit all warehousing and storage requirements, with the advantage of being quickly dismantled for valuable space saving & transport efficiency. This durable, economical cage can be transported by forklift or pallet trolley, and is stackable.

Front drop down gate and rear hinged gate are both removable, and allow easy access even when stacked. This unit is supplied as a flatpack.

Optional galvanised sheet metal flooring which fits over the existing mesh base floor, is available on request.

- Stackable
- Load Capacity: 1000kg (evenly distributed)
- Unit Weight: 65kg
- Zinc Plate Finish

Caged Mobile Stillage Trolley

- for the transport of large, Bulky and heavy items
- Caged sides stop contents from tumbling off trolley when in motion
- Trolley has 2 removable sides for easy access
- Heavy Duty Solid Steel Construction
- Mounted on 4 150mm Poly on Nylon Heavy Duty Swivel Castors
- Designed to allow forklift tines underneath trolley for lifting if required
- Painted Enamel Finish, Galvanised on Request (Priced on Application)
- Foot Print 1200x1200mm 1200mm High

We Gladly Accept
